Door Opens – 5:00 p.m.

When the Bethel Park Volunteer Fire Company was started in 1925, a small white frame building was home base for the local firefighters. To keep pace with the growth of the community, the Fire Company moved into its current facility on Brightwood Road in March 1954.

ORIGINAL BUILDING

Over the last 58 years, the fire company has outgrown the current fire station. The building also has structural issues that are beyond repair. We are looking to replace the aging facility with a larger building that will better accommodate our growing membership and fleet of firefighting apparatus. The new station will also have in-house training facilities, as well as overnight accommodations for long term emergency situations. This is a major undertaking, and we need your generous support to help us achieve this goal. Once again, no tax dollars are used to support the operations of the Bethel Park Volunteer Fire Company. Shown below is a representation of the look of the new facility.

NEW LOOK FOR FIRE STATION

When you need us, we're there: fighting a fire in your neighbor's house; extricating an accident victim from their car; on the scene of a Hazardous Materials' spill.

We're the firefighters of Bethel Park Volunteer Fire Company and we're here to serve you just as we have been for the past 85 years. Throughout those years, we've maintained a wonderful give-and-take relationship with the Bethel Park Community. We support you with our firefighting and our 'round-the-clock dedication to your needs; you support us with your annual donation during our fund drive. That time of the year has arrived and once again we need your help.

JUST ONCE A YEAR!

That's all we're asking for. A contribution from each resident and business in the community goes a long way in maintaining our fire company. Because we're a volunteer organization, we receive no funds and no salaries. Your tax

dollars don't pay for our service. Therefore, we rely solely on your donation to cover our expenses, which as yours do, keep getting higher and higher.

- Life & building insurance
- Maintenance of 3 firehouses
- Vehicles & equipment
- Firefighting gear

These are a few of the expenses we pay each year. Your solid support allows us to cover our expenditures and provide you with an efficient and well-trained staff of volunteer firefighters.

You are the cornerstone of our organization. Your yearly donation is the lifeblood that keeps Bethel Park Volunteer Fire Company alive. Last year, 50 percent of you participated and answered the call with your contribution. Fifty percent did not reply. Just think what 100 percent response could do!

Our firefighters are a dedicated group of volunteers who donated their time and risk their lives to serve you.

Just like you, we hold regular jobs and have families. We live just a few doors down from you. Our children go to school with your children. We are professionals in the community, laborers, and businessmen. We come from all walks of life and join together to protect Bethel Park residents from fire and other disasters. Our compensation is your satisfaction and knowing that we have served you well.

The Bethel Park Volunteer Fire Company recently installed computers in several of its vehicles. With this technology we have a database of all the properties in Bethel Park at our fingertips that can pinpoint your address and give us all kinds of important information before we even arrive on scene at your home. We are asking the residents of Bethel Park to fill out the following questionnaire so that we can enter it into our data base so that if there is an emergency at your address it will help us serve you better.

RESIDENTS NAME: _____

ADDRESS: _____

CITY: _____ STATE: _____ ZIP: _____

If we would have an emergency at your address and no one is home we would like a phone number that we can get a hold of key holder that can let us in to the residence.

KEY HOLDERS PHONE NUMBER: _____

KEY OWNERS NAME: _____

ADDRESS: _____

CITY: _____ STATE: _____ ZIP: _____

How many adults live at this address? _____

How many children live at this address? _____ Boys _____ Girls _____

AGES: _____

Do you have any handicapped people that would require any special assistance in case of an emergency at your residence? YES NO

If Yes, are any of them in wheelchairs? YES NO
