

# Bethel Basketball Travel Team Tryouts

2016-2017 Season Tryouts will start September 12, 2016

Bethel Park Metro Travel Basketball will be holding tryouts for boys and girls grades 4 through 8. 3<sup>rd</sup> graders may tryout for 4<sup>th</sup> grade teams. Players **MUST** attend at least two of the three tryouts for their grade. Players will not be permitted to attend tryout sessions with other grade levels.

## Tryout and Team Format:

It is Bethel Park Basketball Association's (BPBA) intent to have two teams in each age group for boys and girls. In order to accomplish this we must have a sufficient number of players and parents interested in coaching. If you have an interest in coaching, please e-mail your contact information, information about your child's grade and gender, and any other information that you would like to include to [dave@massolutions.biz](mailto:dave@massolutions.biz). Also, create your Coaching Resume and send it in the e-mail.

The selected coaches, independent evaluators, and BPBA board members will conduct the tryouts. Teams will be selected based on information gathered from the tryouts combined with input from BPBA Board Members, evaluators and selected coaches in accordance with the organization's rules/bylaws.

Below is the **3-week tryout schedule**. ALL players should bring a basketball to each tryout! Players are encouraged to attend all 3 of their tryouts, but must attend two of the three. Tryouts will be at **Independence Middle School** starting Sept 12, 2016. Some groups may share gym space at the tryouts.
