

OFFICIAL
MUNICIPALITY OF BETHEL PARK
PUBLIC NOTICE

The Municipality of Bethel Park is required to submit a Total Maximum Daily Load (TMDL) sediment reduction plan to the Pennsylvania Department of Environmental Protection as part of their storm water permit requirements. The Municipality's TMDL plan will be on display for public review at the Bethel Park Library and on the Bethel Park website (www.bethelpark.net) for a thirty day period starting the day of the ad in the a newspaper of general circulation. Comment shall be sent in writing to Jean L. Statler, P.E., Municipal Engineer at 5100 West Library Avenue, Bethel Park, PA 15102 prior to December 18, 2015.
