Science Camps

Eureka! The Inventor's Camp (ages 6-12) *see page 24 for more information*
Overcome a series of challenges using basic materials, simple machines, tips from famous inventors, and most of all – your mind! Create catapults and forts, build shelter, bridges, and learn about density. While Thomas Edison said “invention is 10% inspiration and 90% perspiration,” this camp is 100% FUN!

Mad About Science (ages 6-12) *see page 24 for more information*

Engage your mind with exciting hands-on science activities, spectacular demonstrations, and inquiry-based discussions. A fun filled week that will take you from geology to oceanography and from physics to biology. Every day includes a fun and educational take home project to fuel your future explorations!

Silly Science (ages 2-6) *see page 25 for more information*

Each Scientist will be actively engaged in creating, playing and learning different concepts in science in this interactive, hands-on camp. The program is designed to educate young children in the area of science with an art twist added. Typical activities will include Spy Science, Ice Cream Making, Making Goo and Slime and so much more! Topics will include: Dinosaur Days, Goo, Slime and Bugs, Pirate Science.

Sports & Games Camps

Karate Camp (ages 6 and up) *see page 24 for more information*

Karate camp is a great way to introduce new students to martial arts in a fun, easy to learn setting. Current karate students will have an opportunity to practice their skills. Camp activities will include warm-up exercises, basics of the style, as well as simple and practical self-defense techniques. Camp will also emphasize self-discipline and respect. Students will learn self-defense skills as well as a sense of accomplishment.

Chess Camp (ages 7-14) *see page 24 for more information*

Join local Chess Master Gabriel Petesch for a week of summer chess fun! Learn important tactics, strategies, and opening ideas in the lesson at the beginning of each day. After that, students play competitive games with one another. At the end of the week there will be trophies for the top 3 finishers! Don't miss this chance to improve your chess skills.

Theater Camp

Theater Camp for Kids (ages 6-10) *see page 25 for more information*

This summer, get the drama out of your house and onto the Community Center Stage! Students will enjoy playing creative theater games, to improve character development and improvisation skills, voice projection and enunciation skills. Students will also focus on performing in skits/ a short play to practice their new skills. A performance will be held on the last day of class for family and friends to attend.

Art Explosion Camps

Eye Spy Art Camp (ages 4-7) *see page 24 for more information*

Join us for a fun filled camp week exploring, learning about, and creating art! We will learn about artists Walter Wick, the creator of the I Spy books, and Andy Warhol, a leader in the Pop Art Movement. The children will make their own Eye Spy picture, complete with google eyes! We'll play games, sketch pictures, take walks, and spend time spying for items to turn into our artwork.

Unleash Your Inner Artist Camp (ages 6-10) *see page 25 for more information*

Join us for a fun filled camp week exploring, learning about, and creating art! We'll explore artists like Jackson Pollock and Walter Wick and let their artwork inspire us to create our own masterpieces. We'll create an Eye Spy picture inspired by the world around us and use recycled materials to create one of our own contemporary abstract art pieces. Campers will play games, take hikes and sketch pictures. Every day will end with a completed piece of artwork.

Making plans for the summer just got a whole lot easier!
