2019 Solid Waste & Recycling Collection Guide

THINK GREEN.

Waste Management
625 Cherrington Parkway
Moon Township, PA 15108

Dear Bethel Park Resident:

Bethel Park provides a comprehensive solid waste program designed to encourage recycling and waste reduction, reduce litter in our neighborhoods and ensure that waste is disposed of in an environmentally responsible manner. This guide includes various services that are available to residents. Waste Management pledges to provide the high-quality service residents expect and deserve.

Regular Curbside Collection

Bethel Park contracts with Waste Management as the waste and recycling hauler for residents. Garbage and refuse will be collected weekly curbside. While recycling with be collected every other week according to the attached street listing. Place material at the curb after 6 p.m. on the prior day or **before 6 a.m.** on the scheduled collection day. Please reference the street listing for your service day. Beginning in mid-late March 2019, residents will receive a trash cart for automated garbage collection. More information will follow. The new automated garbage collection will begin April 1, 2019.

Service Inquiries

Residents should direct all questions and complaints regarding refuse and recycling collection to Waste Management at 800-866-4460 or online at www.wm.com. In the event of inclement weather, visit www.wm.com/alerts for service updates, delays and cancellations.

General Guidelines

- Garbage should be properly secured in containers or plastic bags, weighing 50 pounds or less. Place garbage at curbside, in one area, and do not exceed 15 bags/ cans and 2 bulk items per week. New trash carts will be delivered in mid-late March 2019.
- Furniture items, appliances, household goods and disassembled children's swing sets (cut to 4-foot length) will be accepted at curbside.
- Carpet should be rolled and tied in lengths not to exceed 48 inches so that one man can lift.
- Empty paint cans and dried paint are acceptable. Paint can be dried by air drying or soaking up with newspaper or kitty litter. Lids should be left off.

Recycling

Residents will receive every other week curbside recycling collection. Please reference the street listing to identify your recycling service week and day. Residents must use their recycling bin or an approved container for collection. No material (except for cardboard) will be accepted outside of the container. Recycle bins are the property of the Municipality for rental use and are to remain with the property when sold. Residents with newly constructed homes can obtain a complimentary set of recycling bins at the Municipal Building. Replacement bins are \$10.00 per bin. Do NOT place items in plastic bags or boxes.

RECYCLE RIGHT.™

2019 Recycling Program Changes

Due to global changes in the recycling industry, Waste Management is asking your community to help combat recycling contamination. You will experience some changes in your curbside recycling collection program. For programs to be successful, all participants must make an effort to change recycling habits.

- No plastic bags of any kind will be accepted. Please place material loose in your recycling bin or cart.
- Make sure you are only recycling plastic bottles, jugs and jars. Any other plastic shape must go in the trash.
- Glass is no longer accepted for recycling. Glass runs hard on our machines and can contaminate other good recyclables.
- Containers that held food should be rinsed free of food debris and liquid.
- Shredded paper is no longer accepted.

Always recycle:

Paper

Food & Beverage Cans

Plastic Bottles , Jars & Jugs (narrow neck containers labeled #1 and #2)

Flattened Cardboard & Paperboard

Do NOT include in your mixed recycling cart:

NO Food Waste (Compost instead!)

NO Plastic Bags & Film (Find a recycling site at plasticfilmrecycling.org)

NO Foam Cups & Containers (Check Earth911.org for options.)

NO Glass Bottles & Containers

NO Needles (Keep medical waste out of recycling. Place in safe disposal containers like Waste Management's MedWaste Tracker® box.)

NO BAGGED RECYCLABLES

2019 COLLECTION SCHEDULE

- Your Trash collection will be every week while your recycling collected every other week.
- Please review the Street Listing, for your collection Day.
