Farmers'	We cancelled the August 31, 2021, Farmers' Market due to the weath-
Market	er. The Farmers' Market is going extremely well. Most of our vendors
	indicate we are one of their top markets. (Jim Allen) Wild River Kettle
	Korn said we are his best market by far. The Assistant Recreation Di-
	rector said four other vendors told her that we are their top market as
	well. Allegheny County is pleased with the Farmers Market, too.
Flea Market	Saturday, July 17 had seventeen people vending at Christ United
	Methodist Church. The weather was great, and it was well attended.

	Act 65 of 2021 amends the Sunshine Act to require political subdivisions
	(Council) to make available in advance to the public the proposed agenda for
	any governmental meeting. All Boards, Authorities, Commissions & Com-
	mittees (Sub-Committee) will now have to post their agendas to the Munici-
	pal website NLT 24 hours prior to a meeting and the amended law is effec-
	tive on Aug. 30, 2021. (Bill Information - Senate Bill 554; Regular Session
	2021-2022 - PA General Assembly (state.pa.us)) You will also be required
	to post agendas at the meeting location, the Municipal Building and distrib-
	ute copies to members of the public in attendance.
	Act 65 amends Section 709 of the Sunshine Act (relating to the giving of pub-
	lic notice) to require every political subdivision to do all the following:
	* Post the meeting agenda on the political subdivision's website at least
	24 hours prior to a meeting, and the agenda must include a list of each mat-
	ter that may be considered at the meeting.
	* Physically post the agenda at the meeting location as well as at the
	principal office of the political subdivision; and
	* Distribute copies of the agenda to all members of the public in attend-
	ance.
	* These new rules would not apply for conference, work, or executive ses-
	sions.
	The Municipal Staff is in the process of updating the Municipal website to facilitate
	the posting of your agendas. Your Municipal Liaison will be responsible for posting
	the agendas NLT 24 hours prior to the meeting date and time. I encourage you to
	read the attached amendment as it provides <u>specific</u> guidance not outlined in this e-
	mail regarding this new requirement or you can visit the PA General Assembly
	website utilizing the link above to view the bill.
	The key components of Act 65 that amends Section 709 of the Sunshine Act

	(relating to the giving of public notice) to require every political subdivision to do
	all the following. I confirmed with Bob that this is all our Boards, Authorities and
	Commissions.
	• Post the meeting agenda on the political subdivision's website at least 24 hours
	prior to a meeting, and the agenda must include a list of each matter that may be
	considered at the meeting. This only applies if the municipality has a "publicly
	accessible internet website" and does not mandate a borough create one.
	• A <u>borough council</u> will be limited to consider only the items on the posted agenda,
	except in limited circumstances such as a genuine emergency or if the council wants
	to amend the agenda.
	• Physically post the agenda at the meeting location as well as at the principal
	office of the political subdivision; and
	• Distribute copies of the agenda to all members of the public in attendance.
	Mr. Stover explained the 5 year plan is to have tablets for all council members. A
	question about if Community Day will be talked about? Mr. Stover explained that if
	there is a topic anyone would like to discuss, it will need to be approved before the
	meeting. It does not apply to workshop. A question was asked if the agenda was up
	on the website, Mr. Stover clarified that the agenda is up on the website and moving
	forward would probably be on the website earlier.

**Publicity/Speaker Series:** Mr. Bonaccorsi asked Mr. Stover if we have anything planned into 2022? Mr. Stover explained he is working on the Speaker Series with getting a Psychologist to come speak about stress and another speaker for the topic of longevity beginning in October and every month until March. His goal is to get them all lined up now. A question about if they will be in-person or not. Mr. Stover explained they will be Facebook live. Another question if we will be having Comedy Night, Mr. Stover explained that we are planning on it, as long as Covid-19 numbers stay low. Mr. Bonaccorsi mentioned that he knew the high school had an assembly about drugs and might be a good idea to add it to the Speaker Series. Ms. Salerno had a suggestion about a speaker on physical environment, such as air quality at home, flooding, power outages, ect.

Banner: Mr. Stover said it has been a good year for banners and Mr. Stover has been switching to a different style/material so the banners last longer. Mr. Bonaccorsi asked if there are any other fields we can display banners? Mr. Stover suggested UPMC field and Minors field. Mr. Bonaccorsi thinks it is in our best interest to try and add more locations to display banners so that businesses can "bundle" multiple fields for a better cost.
